"Piece Of Cake"

From a lost room i write to you
Hoping i could break through
I'd like to find a piece of you
In this place coz i miss you

Sometimes i smell your perfume
I feel your touch so i run to you
Well i dream awake. i dream awake

When all these people get tired of telling me
What's good or bad for me
I'll tell them what i need
Some say you should be legal
Just like alcohol
Some say i'm abnormal
(but) that's my right

My piece of cake should be legalized now
