I feel the fire  
It's burning inside me  
And I cry but I won't stop the beating  
It hurts as if my head was going to burst  
I know there's nothing to stop me now  
My life is gonna take a new direction  
Rain Fire Storm Lightning  
Rain is falling over my head, cold as ice  
Running through my veins, I'm sinking  
It's hard to breathe, I'm losing control  
My life is gonna take a new direction  
Now the pain is gone, a new strength is by my side  
I escaped from God's cell, I'm running through the  
mountains, I'm flying...
