Am I allowed to breathe  
Am I allowed to counter  
Words that don't believe  
And words that don't matter  
And soon I'll sigh  
And forget them all  
Only sometimes  
Am I allowed.....breathe

And someone should have told me  
That you would be here  
But you weren't you anymore  
You weren't you...

But you will, you will, you will, you...

Soon I will fall like the wall

And how it feels will be horror  
Do you hate it?  
'Cause you weren't you anymore  
You weren't...

But you will, you will, you will, you...

Soon I will fall like the wall

All around fractured view of life  
I tear down all these idols  
And I'll make my transformation  
You'll feel better.....right?

But you will, you will, you will, you...

You can't scar me...you can't  
You can't scar me...you can't

How the fuck does it feel?

Soon I will fall like the wall

And how the fuck does it feel?  
And how the fuck did you figure?
