You take me right up to the top of the world
Then you push me over the side
Like an addiction to a four-letter word
Victim of the Western decline

I made a promise by the side of the road
That I would bury my Goddamn halo...

-Chorus-

I got a heart made of black lining
I got a heart full of black
I got a heart made of black lining
I got a heart full of black

I'm trying to fight it but I don't know what for
There was something holding me back
I need to fight it more than ever before
Now I'm ready for the attack

I'll never be like what I wanna become
As long as you got a piece of the action

-Chorus-

I got a heart made of black lining
I got a heart full of black
I got a heart made of black lining
I got a heart full of black

Show me
Show me
Show me
Show me
Show me
Show me
Show me
Show me
Show meeeeeee!!!!

This doesn't happen to me everyday
I was feeling freer than life
I wouldn't have it any other way
Wanna feel like this all the time

You like to walk along the rocks on the tracks

So I shall attain my love back

-Chorus-

I got a heart made of black lining

I got a heart full of black

I got a heart made of black lining

I got a heart full of black
