[Chorus:]

You don't need to stop believing  
You can't leave this feeling now

We were born innocent  
Believing in everything  
That is said to us

Never stop believing in the legends and stories  
Life needs it

Don't kill the child that lives in you  
Stop lying to others  
And think about the truth  
Don't wait to see that life's full of lies  
'Cause we make it like this

If people continued living the true childhood  
We would be better  
With no envy, with no hate  
Just believing in fairy tales

[Chorus]

[Solo]

[Chorus]

Oh This feeling now
