From the shadows you rose gave me a lethal doze
Rip the heart of my chest and left me to die
Pointless arguments I dive in to the deep end
Watching the world go by... oh no... am I living in a lie...

[BRIDGE]

Do they hate me because of my sins
Won't you save me from the evil within

[CHORUS]

Eye for an eye welcome to my world
It's like the blind blind leading the blind
Eye for an eye haven't you heard
It's like the blind blind leading the blind
Straight in to the heart of the night...

You say life ain't fair, no one really cares
You put the blame on me and you walk away
Target at my sights too numb to even try
Closing the pages, eternally, I stand back and watch
your demise

[BRIDGE]

Saints will fall in to the sinners hands
If you want to crawl, I shout my demand

[CHORUS]

Eye for an eye welcome to my world
It's like the blind blind leading the blind
Eye for an eye haven't you heard
It's like the blind blind leading the blind
Straight in to the heart of the dark...

... Have mercy on me, I'm so tired as a man can be
I'm not the same as I was before
Where this path is leading me, I do not know, but I'm
anxious to see
What the future holds for me... what the future holds
for me... what is there
For me...

[SOLO / Pete]

[BRIDGE]

Do they hate me because of my sins
Won't you save me from the evil within

[CHORUS X2]

Eye for an eye welcome to my world
It's like the blind blind leading the blind
Eye for an eye haven't you heard
It's like the blind blind leading the blind
Straight in to the heart of the night...
