Here we go  
Breaking up what we have built  
Leaving out all the things that we have felt  
Where was I, where was I before you came  
From the first time that I saw you  
I thought

Maybe I  
Maybe I did something wrong  
How I tried  
But the words won't fit the song  
Found the door  
But I could not find the key  
From the first time that I saw you  
I thought that you may be

So don't throw it all away  
I don't wanna be the one who's gonna have to beg you  
stay  
I don't wanna be the one to change your mind  
One more time  
Please stay  
Don't throw it all away

Though it seems  
That I just take it out on you  
Don't you know  
Only you can get me through  
Found the door  
Now I know that you're the key  
From the first time that I saw you  
I knew that you may be

So don't throw it all away  
I don't wanna be the one who's gonna have to beg you  
stay  
I don't wanna be the one to change your mind  
One more time  
Please stay...

Don't throw it all away

I don't wanna be the one who's gonna have to beg you  
stay  
I don't wanna be the one to change your mind  
One more time  
Please stay
