How can I  
Just let you slip away from me.  
My friends say  
That it's a damn, damn shame  
And how can I  
Live another lifetime, no  
I don't know, I don't know  
But I'll try.

For years we've been faced  
With all kinds of pressures  
But you still don't know  
Just how I feel  
Now that you're gone  
I'm so alone

Chorus:

Oh, I wish I had  
Chance to say I love you  
But something went wrong here  
You were not supposed to leave me.  
In my live  
I wish that you were  
Here with me  
But something went wrong here  
This is just in case you hear me.

How I can  
Forgive myself when  
All this time  
I've been so blind (since...)  
And how I can  
Live in such a cold, cold world  
Without ya by my side  
Sometimes it feels like I wanna die

All cuz' you were my strength  
And all of my comfort  
But you still don't know  
Just how I feel

Now that you're gone  
I'm so alone

Chorus

Do you hear me?  
I wanna know, wanna know  
Cuz' I'm so alone, so alone.

Chorus (repeat)
