It doesn't take a liar to see
How much this is hurting me
Just like the letters you send
Will there be no end
No end to this

This is the side that never gets to me
So sleep now, I won't tell
That I keep on trading ideas with my memories
Those lies came so easily
As strange as those thoughts could be
They were never lost on me

It doesn't take a liar to see
How much this is hurting me
Just like the letters you send
Will there be no end
No end to this

You know I should be leaving soon
I still share, I still care
Yet my eyes are looking the other way
Those lies came so easily
As strange as those thoughts could be
They were never lost on me

It doesn't take a liar to see
How much this is hurting me
Just like the letters you send
Will there be no end
No end to this

No end to this
No end to this
Will there be no end to this...

... This is not what intended
I've said so many times before
Could I last another year? (x2)

Another year...
