Who want low boats of keys from overseas
Then put it in the streets and spread like a disease?
Neighborhoods infected then misdirected
It ain't no cure and it's hard to correct it

Bless by the most high, cursed by the lowest
Used to think the quick, now thoughts travel the
slowest
Close to comatose brain waves rigamortist
You forget the skit the most high tortoise

I remember so they wanna murder RA
Know what I mean because I got knowledge of self
Yeah I know, you probably don't believe me
But be easy I'm gonna leave it up to Barrington Levy

Who gone test, no man curse
That prejudge end up a hearse
Who God bless, no man curse
I'm gonna end up in a hearse
Because they maskata

Here they come, known bloodsuckers of the poor
Rob us for culture and now they want more
Caution they come in many forms of identity
A lot to suspect so detect the enemy

Worst than a mosquito or a vampire,

They're not sitting at the movies or a campfire
Huh, yeah, I know you don't believe me, be easy
I'm gonna leave it to Barrington Levy

They let me tell me that I'm a murderer
Dress up in a jacket then dress up in a tie
Want to deprive, I'm a murderer
