My resistance is getting weaker
I can't stand the pressure
I can't get any weaker
I've got to find some other treature

I need nothing to be a man
Because I was born a man
And I deserve the rights to live
Like any other man

My mind in such a state
Sometimes it makes me sick
Sometimes I try to ate
But I just don't know the trick

I need nothing to be a man
Because I was born a man
And I deserve the rights to live
Like any other man

Experience costs you wisdom
The tought I got some let
I'm getting out for certain
My soul can stand the test

I need nothing to be a man
Because I was born a man
And I deserve the rights to live
Like any other man

My resistance is getting weaker

I can't stand the pressure
I can't get any weaker
I've got to find some other treature

I need nothing to be a man
Because I was born a man
And I deserve the rights to live
Like any other man

My mind in such a state

Sometimes it makes me sick
Sometimes I try to ate
But I just don't know the trick

I need nothing to be a man
Because I was born a man
And I deserve the rights to live
Like any other man

The tought I got some let

I need nothing to be a man
Because I was born a man
And I deserve the rights to live
Like any other man
