ooooh oooooh uuu eei oo
my resistance is geting weaker
I can't stand the presure
I can't get any weaker
I've got to find some other tricks
I need nothin to be a man cos I was born a man and
I deserve a right to live like any other man oooooh
my mind is such a state
sometimes it maker me sick
sometime I try to hate but I just don't know the trick
and I deserve a right to live like any other man oooooh
Experence couse to wisdom
thank God I got some left
am
geting out for certain my soul can stand the test
I need nothing to be a man cos I was born a man
I deserve to a right to live like any other man
