Only you, can make feel this way
To make me act this way, you take my breath away
Only you, can make me climb this â€¦
And make this ain't no joke
I'm not smoking no â€¦

â€¦. Keep the â€¦ can't sleep, you make me weak
Without you my life, incomplete
And I need â€¦ â€¦ sweet
Baby you doing everything I like
â€¦ ride it like a bike, you win it right
She keep me â€¦
Only you I'll need by my side

Only you, can make feel this way
To make me act this way, you take my breath away
Only you, can make me climb this â€¦
And make this ain't no joke
I'm not smoking no â€¦

I see you across the floor, â€¦ knocking at my door
Wanna see that look some more, come on my baby
care to see some more
I've never seen love like this, your love I can't resist
O baby I love the way when you put your sexy lips

â€¦ need from the day I met you girl you take the lead
Indeed, call me â€¦ â€¦
â€¦. Proceed
Cause only you, can change my grid sky blue
I could never find another like you
Only you, can make me feel the way I do
â€¦. People say, I do

Only you, can make feel this way
To make me act this way, you take my breath away
Only you, can make me climb this â€¦
And make this ain't no joke
I'm not smoking no â€¦
Only you, only you
â€¦. Can't sleep

Baby you doing everything I like
â€¦ ride it like a bike, you doing it right
She keep me â€¦
Only you I'll only need by my side

Love the way you look girl, love the way you look X2

Only you, can make me climb this â€¦
You make me feel so fine
Only you, only you, only you.
