I was playin' it way too cool
Shoulda broken it down for you
Left with so many words to say
You know I had plans for you
Not only a physical thing
Cause there is no deeper love
Between you and I

Chorus

Thought that you were mine (girl I thought that you
were mine)
Waited all this time
Thought that you were mine
Thought that you were mine

Sweet and divine
That's the name of our love game
Don't play yourself girl

The way people talk to cruel
I'm hearin' em talk 'bout you
Didn't you know that my aim wa true
And I was goin' insane for you

I always thought you knew
You were my future and
There is a deeper amor
Between you and I

Thought that you were mine (girl I thought that you
were mine)
Waited all this time
Thought that you were mine
Thought that you were mine

You know that I had plans for you
Not only a physical thing
Cause there is no deeper love
Between you and I

Thought that you were mine (girl I thought that you

were mine)
Waited all this time
Thought that you were mine
Thought that you were mine

Thought that you were mine (girl I thought that you
were mine)
Waited all this time
Thought that you were mine
Thought that you were mine

(Repeat till fade)
