She doesnt want me..... around
She's got something to hide
I think she want's a clown, someone to take for a
ride..... What I
keep telling her,

Chorus: Im too experienced to be taken for a
stroll.....too
experienced for someone to rock and roll, Im too
experienced to be taken
for a ride, and I know its not my foolish pride.....

She hates the site..... of me
because I turned her offer down
She's always saying we were meant to be
somehow she thought Id be her clown
And this is what I sing:

Chorus: Im too experienced to be taken for a
stroll..... to experienced for someone to rock and roll,
Im too
experienced to be taken for a ride, and I know it's not
my foolish pride

She doesnt want me around
she got's something to hide, I think she wants a clown,
someone to take
for a ride, this is what I sing (back to chorus)
