Teach me, teach me, teach me, teach me, Teacher  
Teach I and I Amharic Teacher  
Teach me, teach me, teach me, teach me, Teacher  
Teach I and I African Teacher

I never be late, I always early  
I never absent I always present  
That's why I and I nah sit down inna no back bench  
Natty like to be bright, bright, bright  
So bright, bright, bright, bright  
So bright

African teaching is a part of I and I  
Culture O yes part of I and I  
Teach me, teach me, teach me, teach me, Teacher  
Teach I and I Amharic Teacher

I admit we go to school  
But we never finish  
Not until we reach upon  
The soil of Africa, where in  
I and I can be taught by African Teachers  
O yes I and I can be taught by African Teachers

Teach me, teach me, teach me, teach me, Teacher  
Teach I and I Amharic Teacher  
Teach me, teach me, teach me, teach me, Teacher  
Teach I and I Amharic Teacher

O right teach I and I and I Amharic  
I like to be taught by African, African Teacher  
So right, Natty like to be bright so bright  
so bright so bright brighter bright  
Bright Natty Bright Natty Bright Natty Bright  
So bright natty like to be taught by African Teacher  
Teacher  
Teach natty Amharic Teacher  
Is a part of I and I  
So right natty  
Teacher, Amharic Teacher, African Teacher  
Teach I and I and I and I Amharic Teacher  
Teach I and I and I and I natty like to be bright so bright

I and I
