Everyone have a bad day in life
But I rather to be
A servant of his majesty
Than be a traitor

Chorus:

Oh Jah brighten my vision
So I can see from a distant
And now I accomplish another step
Of my heart desire today
Shout it out Shout it out Shout it out
Shout it out
From a distant from a distant from a
Distant from a distant
I want to see
When Jah making his one love speech
I want to see
When Jah making his one love speech

Chorus

Chorus

Jah Jah call on me
I will make myself available

Jah Jah call on me
I will make myself workable
Jah Jah call on me
Honor the order
Rastafari

Chorus

Even though the road is so foggy foggy
But I can see from a distant
It's getting from bad to worse
Walla walla woy
Yes them bawl every day Jah know

Chorus

I will never get swellheaded
I want to rock in time
Yes I know His Majesty
He's my big daddy

Chorus

Brighten my vision like you never
Brightened my vision before
