Oh, Jah Rastafari help us one and all
Come mek, we say what we have to say
Come along, come mek we do what we have to do
Come on, come mek we say what we have to say

Need more strength to fight this struggle
Need more strength to fight this struggle

Come mek, we say what we have to say
Come along, come mek we do what we have to do
Come on, come mek we say what we have to say
Come mek, we do what we have to do

Say your own, say in your way
Say your own, say in your way

Come mek, we say what we have to say
Come on, come mek we do what we have to do
Come along, come mek we say what we have to say
Come on, come mek we do what we have to do

Mek we say what we have to say
Mek we do what we have to do
Mek we say what we have to say
Mek we do what we have to do

Your mind and your thought should be clean
Your mind and your thought should be clean

Come mek, we say what we have to say
Come along, come mek we do what we have to do
Come on, come mek we say what we have to say
Come along, come mek we do what we have to do

To fight this struggle, you got to be brave
To fight this struggle, you got to be brave

Come mek, we say what we have to say
Come along, come mek we do what we have to do
Come mek, we say what we have to say
Come along, come mek we do what we have to do

Oh, Jah Rastafari help us
Oh, Jah Rastafari help us one and all, one and all, one
and all

Mek we say what we have to say
Come along, come mek we do what we have to do
Come on, come mek we say what we have to say
Come on, come mek we do what we have to do

Mek we say what we have to say
Mek we do what we have to do
Mek we say what we have to say
Mek we do what we have to do
Mek we say what we have to say
