As far as your eyes can see
You will be seeing the children of the most high
Twelve tribes of Israel from creation
Over the mountain side
(Farover) - farover the mountain side
(Farover) -as far as your eyes can see
Farover

We want the color of the nazarene
The color of the nazarene
Red, gold and green

We want it, we want it...(Farover)
(Farover) - I see it so high, so high
(Farover) - farover the mountain side
Farover the mountain side
Farover

What about the color of Marcus Garvey (Farover)
(Farover) - color of Marcus Garvey
Red, green and black
We want it, we want it...
I see it so high, so high
(Farover) - I said farover
(Farover) - farover, farover
I see it so high, so high
(Farover)
(Farover)

Good knows truth follows together (?)
Good knows truth follows together (?)
You wave it, you wave it, you wave it
I see it so high, so high
(Farover)
I said so farover
(Farover) (Farover)

As far as your eyes can see
You will be seeing the children of the most high
Twelve tribes of Israel from creation
(Farover) (Farover)
