Glory be to Jah - One Creator
Glory be to Jah - One Creator
We are movin' within the right direction
We are singin' all the truthful things
We are movin' within the right direction
We are singin' all the truthful things
Jah - none before, Jah - none come after
Jah - none before, Jah - none come after

Glory be to Jah - One Creator
One Creator, Jah for ev'rything which is good
Jah, long life and bless of (??)
Glory be to Jah - One Creator

If there is no love then there will be no peace
If there is no love then there will be no peace
Glory be to Jah - One Creator
Some call Him Allah
Some call Him Christ
Some call Him Lord of Lords
Some call Him Allah
Some call Him Christ
Some call Him Lord of Lords

It's not a secret to reason with Jah
It's not a secret to reason with Jah
Talk to him - you can tell Him
Jah Selah, Jah Selah,
Yes, before you go to your rest you talk to Him
When you wake and see the light you talk to Him
If you have a bad day today you talk to Him

Glory be to Jah - One Creator
Glory be to Jah - One Creator
We are movin' within the right direction
We are singin' all the truthful things
We are movin' within the right direction
We are singin' all the truthful things
Jah - none before, Jah - none come after
Jah - none before, Jah - none come after

It's not a secret to reason with Jah
It's not a secret to reason with Jah
Tell Him - talk to him
Jah Selah, Jah Selah,
Glory be to Jah - One Creator
Glory be to Jah - One Creator - One Creator
It's not a secret to reason with Jah
It's not a secret to reason with Jah.....
