Sometimes they confuse our minds
And let us all think out of line
Sometimes they confuse our minds
And let us all think out of line

No unnecessary confusion
No unnecessary Behavior
No unnecessary confusion
No unnecessary Behavior

Chorus:
Harmony in the house of reggae
Harmony
Harmony in the house of reggae
Harmony

So we thank the people
For their presence and their support
So we thank the people
For their presence and their support
They tempt me to work some more
They tempt me to work some more
And mek me work work work work hard
And mek me push push push push on
So Jah also help those that help
themselves
So Jah also help those that help
themselves
We are moving we are moving we are
moving we are moving on
Don't you know only Jah can help us
We are moving we are moving we are
moving we are moving on
Don't you know only Jah can help us

Chorus

So remember Marcus Garvey
And his African legendary parade
So remember Marcus Garvey
And his African legendary parade
Lots of people in high places

Lots of people in high places
Some say no African
Some say no African
Respect to those who remember
Respect to those who remember
Come on now people let the good time roll
Come on now people let the good time roll

Chorus

Chorus

A letter to the people, fans
People all over
People in general
Little singers and big singers
It's we who build this foundation
This reggae foundation
Yes my soldiers be strong
We all travel the same roads
We all make the same stops
We all play the same music
Yes my soldiers be strong

Chorus
