Finest time
John the Baptist's head were cut off
Put it away into a saucer,
Still disciples have oh Lord believe me,
Yes they stoneth him to death
Noone remember old Marcus Garvey,

This day the right way
This day the right way
This day the right way
All us got todo is
A true black Lou I
A hatred scatter, even melt before the fire light go out
Noone remember old Marcus Garvey,
Noone remember old Marcus Garvey

Children, children, children, children
Humble yourself and become one day somehow
You will remember him you will

Garvey's old yet young
Garvey's old yet young.....
