So when the sun goes down  
And we move along  
I will call on you  
Call on you

When the sun goes down  
And we move along  
I will call on you  
Call on you

Are you ready?  
Are you ready?  
Are you re-eh-ady?  
I will call on you

No cry my brother, cryin'  
No stall no no no stall  
No time to lose, time to lose  
We must go on soon  
Yes we must

So when the sun goes down  
And we move along  
I will call on you

Call on you

When the sun goes down  
And we move along  
I will call on you  
Call on you

Are you ready?  
Are you ready?  
Are you re-eh-ady?  
I will call on you

No cry my brother, cryin'  
No stall no no no stall  
No time to lose, time to lose  
We must go on soon  
Yes we must

Call on you  
We must go on soon  
Call on you  
When the sun goes down  
Call on you  
And we move along  
Call on you
