Why o why o why
Why o why o why

More than two thousand years
Since I come here
More than two thousand years
Since I come here
And all I can say is

Why o why o why
Why o why o why

Do what you can
What you can
For I and I

Why o why o why
Why o why o why

Using my brothers
(Why why why, tell my why)
Brothers and sisters
(Why why why, tell my why)
Using my brothers, brothers
(Why why why, tell my why)
Brothers and sisters you can hear them say
(Why why why, tell my why)

Do what you can
What you can
For I and I and I and I and I

Why o why o why
Why o why o why
