I need a job, not a government plan
All I wanna do is work with my two hands
Gonna fire up the truck, head up to DC
Tell them S.O.B's I need a J-O-B

Well, I make my livin' by the sweat of my brow
Give me some work, and I'll work it out
All I need is a chance, and you will see
What I want is a J-O-B

I need a job, not a government plan
All I wanna do is work with my two hands
Gonna fire up the truck, head up to DC
Tell them S.O.B's I need a J-O-B

You were so concerned about my situation
That you packed up and went on vacation
When you were lyin' in the sand, did you think about
me
Busted and broke without a J-O-B

I need a job, not a government plan
All I wanna do is work with my two hands
Gonna fire up the truck, head up to DC
Tell them S.O.B's I need a J-O-B

That's right

I got a simple solution
To clear up this confusion
Fire 'em all, then they'll be
Screamin' like you and me

I need a job, not a government plan
All I wanna do is work with my two hands
Gonna fire up my truck, head up to DC
Tell them S.O.B's I need a J-O-B

I need a job, not a government plan
All I wanna do is work with my two hands
Gonna fire up the truck, head up to DC
Tell them S.O.B's I need a J-O-B

Tell them S.O.B's I need a J-O-B
I need a job
