One day, he just walked right off the job  
Packed his bags and moved out to L.A.  
We all knew the reason why  
He was smiling the day he drove away

It's always a woman that makes a man do things he  
can't explain  
Fall in love, go insane  
Know the pleasure, feel the pain  
Who can give you everything, and leave you with  
nothin'  
It's always a woman

Last I heard, he was livin' in a bar  
Can't seem to turn his life around  
He sits alone and hits the bottle hard  
But the whiskey ain't what took him down

It's always a woman that makes a man do things he  
can't explain  
Fall in love, go insane  
Know the pleasure, feel the pain  
Who can give you everything, and leave you with  
nothin'  
It's always a woman

The one thing that made him end up like this  
Is the same thing that'll save him  
And I'll tell you what it is

It's always a woman that makes a man do things he  
can't explain  
Fall in love, go insane  
Know the pleasure, feel the pain  
Who else can give you everything, and leave you with  
nothin'  
It's always a woman

(Fall in love, go insane  
Know the pleasure, feel the pain)  
It's always a woman  
(Fall in love, go insane)

Know the pleasure, feel the pain)  
It's always a woman  
(Fall in love, go insane  
Know the pleasure, feel the pain)  
It's always a woman
