I can't tell the sunshines.
I can't explain the moon rise.
I don't know why time flys by.
But, ask me and I'll tell you why.

I can't live another day without you by my side.
It's getting harder to breathe.
So I'm beggin' you.
Don't take her away from me.

I've known since I meet you.
You're an angle sent to me.
Cause when you looked in my eyes.
I fell in love with your smile.

And I can say.
You help me breathe every day.
You help, you help,
You help me breathe.
