It's a long, long way from here to you  
Tell me, how do I get there?

There's so much I wish I could undo  
Tell me, how do I get there?

Can a million wrong turns ever turn me around?  
Can I ever un-burn the bridges I've burned to the  
ground?  
Nowhere's too far  
And I'd go anywhere  
Tell me how do I get there from here?

Your touch is beyond my fingertips  
It lingers in me

Your heart is where forgiveness is  
Tell me, how do I get there?

Can a million wrong turns ever turn me around?  
Can I ever un-burn the bridges I've burned to the  
ground?  
Nowhere's too far  
And I'd go anywhere

Tell me how do I get there from here

I'm sitting here, asking where to go  
With all I am, all I'll ever know

So can a million wrong turns ever turn me around?  
Can I ever un-burn the bridges I've burned to the  
ground?  
Nowhere's too far  
And I'd go anywhere  
Tell me how, tell me how

Nowhere's too far  
Yeah, I'd go anywhere  
Tell me, how do I get there?  
Tell me, how do I get there?  
From here

Well how do I get there?  
Oh, please tell me now  
How do I get there?  
Oh, tell me now  
How do I get there?  
Tell me  
How do I get there?
