Believe in
All what is lost will come back again
This is not the end of a hopeless generation
A new order has begun
A rebellion of creatures will overrun this country

All what is lost will come back
All what is lost will come back

You fall into the same hole
I bleed for you
You fall into the same hole
And you bleed for me

I can't believe my own eyes

You stare to realize, but this is real
I can't believe my own eyes
Stare to realize, but this is real
I can't believe my own eyes

All what is lost will come back
All what is lost will come back

You fall into the same hole
I bleed for you
You fall into the same hole
And you bleed for me

Thank you for the suffering
You made me stronger than before
I bleed for you and you bleed for me
Thank you for the suffering
You made me stronger than before
I bleed for you and you bleed for me

I bleed for you (I bleed for you)
You bleed for me (you bleed for me)
I bleed for you (I bleed for you)
You bleed for me (you bleed for me)
And I bleed for you (and I bleed for you)
And you bleed for me (and you bleed for me)

And I bleed for you (and I bleed for you)
And you bleed for me (and you bleed for me)

Thank you for the suffering
You made me stronger than before
I bleed for you and you bleed for me
Thank you for the suffering
You made me stronger than before
I bleed for you and you bleed for me
