THE BELL THAT COULDN'T JINGLE  
WRITERS BURT BACHARCH, LARRY KUSIK

A Christmas bell was crying then Santa heard it say - I  
just can't seem to jingle and I can't go on the sleigh -  
Then Santa soon discovered the reason that it cried -  
The Bell That Couldn't Jingle it had nothing there inside  
- Then Santa said Jack Frost will bring my Christmas gift  
to you - And on Christmas Eve you'll jingle just like you  
were brand new - Then Jack Frost froze a teardrop so  
each time that it swayed - The Bell That Couldn't Jingle  
it went jingling all the way - The Bell That Couldn't Jingle  
it went jingling all the way - Then Santa said Jack Frost  
will bring my Christmas gift to you - And on Christmas  
Eve you'll jingle just like you were brand new - Then  
Jack Frost froze a teardrop so each time that it swayed -  
The Bell That Couldn't Jingle it went jingling all the way -  
The Bell That Couldn't Jingle it went jingling all the way -  
It went jingling all the way - It went jingling all the way
