Dearest darlin'  
I had to write to say that I won't be home anymore  
'Cause something happened to me  
While I was drivin' home and I'm not the same anymore

Oh, I was only twenty four hours from Tulsa  
Ah, only one day away from your arms  
I saw a welcoming light and stopped to rest for the  
night

And that is when I saw her  
As I pulled in outside of the small motel she was there  
And so I walked up to her  
Asked where I could get something to eat and she  
showed me where

Oh, I was only twenty four hours from Tulsa  
Ah, only one day away from your arms  
She took me to the cafe, I asked her if she would stay,  
she said "OK"

Oh, I was only twenty four hours from Tulsa  
Ah, only one day away from your arms  
The jukebox started to play  
And night time turned into day

As we were dancin' closely  
All of a sudden I lost control as I held her charms  
And I caressed her, kissed her, told her I'd die  
Before I would let her out of my arms

Oh, I was only twenty four hours from Tulsa  
Ah, only one day away from your arms  
I hate to do this to you but I love somebody new, what  
can I do

And I can never, never, never, go home again
