Blue on blue, heartache on heartache
Blue on blue, now that we are through
Blue on blue, heartache on heartache
And I find I can't get over losing you

I walk along the street, we used to walk
Two by two, lovers pass
And as they're passing by

I could die 'cause you're not here with me
Now the trees are bare, there's
Sadness in the air, and I'm as blue as I can be

Blue on blue, heartache on heartache
Blue on blue, now that we are through
Blue on blue, heartache on heartache
And I find I can't get over losing you

Night after lonely night we meet in dreams
As I run to your side, you wait with open arms
Open arms that now are closed to me

Through a vale of tears
Your vision disappears and
I'm as blue as I can be

Blue on blue, heartache on heartache
Blue on blue, now that we are through
Blue on blue, heartache on heartache
And I find I can't get over losing you
