(James)

Start with a man and you have one.

Add on a woman and then you have two.

(James & Chorus)

Add on a child and what have you got?

You've got more than three.

You've got what they call a family.

(Chorus)

Living Together, Growing Together, just being
together,

that's how it starts.

Three loving hearts all

pulling together, working together, just building
together,

that makes you strong.

If things go wrong we'll still get along somehow,
living and growing together.

It just takes wood to build a house.

Fill it with people and you have a home.

Fill it with love and people take root.

It's just like a tree

where each branch becomes a family that's

Living Together, Growing Together, just being
together,

that's how it starts.

Three loving hearts all

pulling together, working together, just building
together,

that makes you strong.

If things go wrong we'll

(Gene)

still get along somehow,

(James)

living and growing together.

(Chorus)

Living Together, Growing Together, just being
together,
that's how it starts.
Three loving hearts all
pulling together, working together, just building
together,
that makes you strong.
If things go wrong we'll still get along somehow,
living and growing
just like we're doing now, together.
