One less bell to answer
One less egg to fry
One less man to pick up after
I should be happy but all I do is cry

(Cry, cry, no more laughter)
I should be happy
(Oh, why did he go?)
I only know that
Since he left my life's so empty

Though I try to forget
It just can't be done
Each time the doorbell rings I still run
I don't know how in the world

To stop thinking of him
'Cause I still love him so
I end each day, the way I start out
Crying my heart out

One less man to pick up after
No more laughter, no more love
Since he went away
(He went away)

(One less bell to answer)
Why did he leave me?
(Why, why, why did he leave?)

(One less bell to answer)
Now I've got one less egg to fry
One less egg to fry
(Why, why, why did he leave?)
And all I do is cry

(One less bell to answer)
Because a man told me goodbye
(Why, why, why did he leave?)

(One less bell to answer)
Somebody tell me please

Where did he go, why did he go?
(Why, why, why did he leave?)
Tell me how could he leave me?
