THE BELL THAT COULDN'T JINGLE
WRITERS BURT BACHARCH, LARRY KUSIK

A Christmas bell was crying then Santa heard it say - I
just can't seem to jingle and I can't go on the sleigh -
Then Santa soon discovered the reason that it cried -
The Bell That Couldn't Jingle it had nothing there inside
- Then Santa said Jack Frost will bring my Christmas gift
to you - And on Christmas Eve you'll jingle just like you
were brand new - Then Jack Frost froze a teardrop so
each time that it swayed - The Bell That Couldn't Jingle
it went jingling all the way - The Bell That Couldn't Jingle
it went jingling all the way - Then Santa said Jack Frost
will bring my Christmas gift to you - And on Christmas
Eve you'll jingle just like you were brand new - Then
Jack Frost froze a teardrop so each time that it swayed -
The Bell That Couldn't Jingle it went jingling all the way -
The Bell That Couldn't Jingle it went jingling all the way -
It went jingling all the way - It went jingling all the way
