Then Santa said  
"Jack Frost will bring my Christmas gift to you  
And on Christmas Eve, you'll jingle  
Just like you were brand new"

A Christmas bell was cryin' and Santa heard it say  
I just can't seem to jingle and I can't go on the sleigh  
Then Santa soon discovered the reason that it cried  
The bell that couldn't jingle, it had nothin' there inside

Then Santa said  
"Jack Frost will bring my Christmas gift to you  
And on Christmas Eve, you'll jingle  
Just like you were brand new"

Then Jack Frost froze a teardrop  
So each time that it swayed  
The bell that couldn't jingle, it went jingling all the way  
The bell that couldn't jingle, it went jingling all the way

Then Santa said  
"Jack Frost will bring my Christmas gift to you  
And on Christmas Eve, you'll jingle  
Just like you were brand new"

Then Jack Frost froze a teardrop  
So each time that it swayed  
The bell that couldn't jingle, it went jingling all the way  
The bell that couldn't jingle, it went jingling all the way  
It went jingling all the way, it went jingling all the way
