Memories of you,
Round my head like a japanese freight train.
Visions of you,
Round my bed like a flower on a maypole.

She had my head full of lovers,
And I can never get enough of you.

I take my medicine,
We all need somewhere to go.
Medicine,
Aafety in your comfort zone.
Safety in...

I do you no wrong.
When you burn you're the dynamite lover.
You're turning me on,
When you think like you do as a livitine.

We are all that matters,
And I can never get enough of you.

I take my medicine,
We all need somewhere to go.
Medicine,
Safety in your comfort zone,
Safety in your comfort zone,
Safety in your comfort zone.

Medicine,
We all need somewhere to go.
Medicine,
Safety in your comfort zone.
Medicine,
Safety in your comfort zone,
Safety in your comfort zone,
Safety in your comfort zone.
