Me and you
Just singin' on the train
Me and you
Listening to the rain
Me and you
We are the same
Me and you
Have all the fame
We need, indeed
You and me are we

Me and you
Singing in the park
Me and you
Waitin' in the dark
Me and you
We are the spark
Me and you
Lightin' candles in the dark
To say, someday,
There will be a new way

Me and you
Singin' to the birds
Me and you
Not sayin' a word
Me and you
Wouldn't call it absurd
That's because you and me have heard
You can fly
As high as the sky if you try

Me and you
Just singin' on the train
Me and you
Listening to the rain
Me and you
We are the same

Me and you
Have all the fame
We need, indeed

Me and you are we

Me and you
We're waiting for the dawn
Me and you
And all the place we've gone
Me and you
Sittin' on the lawn
Me and you
Just singin' our song
Just to rhyme, to shine
And to pass the time

Me and you
Singing to all
Me and you
Just havin' a ball
Me and you
Drawin' on the wall
Me and you
Foll'wing our call
To be like a tree,
Is just as free and easy

Me and you
Just singin' on the train
Me and you
Listening to the rain
Me and you
We are the same
Me and you
Have all the fame
We need, indeed
Me and you are we
