(Causing much mayhem, droppin' drama.
Radical rebel with a need to bomber.
Fake MCs dare not hang 'em higher..)

I know and I see all, I've got your number
right here in my Tarot Cards
I've got my Crystal Ball, I see the future
ask me anything you want

I've got the magic to see what's inside of
you're Lover's heart
I know who you want to be cause
I see it in your number chart

Just wait and hear, when I have for you
and you will realize
Though I am strong, and sexy too
I know all your secrets
I know who you are inside

I know and I see all, I've got your number
right here in my Tarot Cards
I've got my Crystal Ball, I see your future
ask me anything you want

(Causing much mayhem, droppin' drama.
Radical rebel with a need to bomber.
Fake MCs dare not hang 'em higher,
The mic is mine time to pay the piper.
Kick this up, so not gonna assume
I'm slick, gotta mic to prove.
Have ya asses movin for my startin' time.
Nigga' move!)

I know and I see all, I've got your number
right here in my Tarot Cards
I've got my Crystal Ball, I see your future
ask me anything you want.

I know and I see all, I've got your number
right here in my Tarot Cards

I've got my Crystal Ball, I see your future
ask me anything you want.
Good looks and no need for a crew,
If I gotta if I gotta than I'll come after you,
so you better not pout and ya better not cry,
cause too bad's comin choose to live or die.
The coolest I'm so slammin, I'm so slammin, body's
jammin,
Bad to the bone, you should've known I'm in my own
zone.
