Pl-please I'll take a burger double cheese
I'll travel across the world and seven seas
All beef patti on a sesame bun
I luv the taste too much, can never stop at one
It's got that juicy taste it'll put a smile on your face
hamburger lovers let me here ya say ho
1,2,3 or even 7
I hope there's double cheeseburgers when I get up 2
heaven
When your feeling sad alone and your mood is kind a
blue
Eat alot of burger thats all you gotta do
no feeling more great than a burger on my plate
on a scale of 1 to 10 a burger always rates great
for here or to go yo it really doesnt matter bro
hamburger lovers let me here ya say ho
let there be no mistake of the point I'm trying to make
on my birthday give me a burger not a cake

Very very very very very very good,
very very very very very very good,
very very very very very very good,
very very very very very very good,
very very very very very very good,
very very very very very very good,
very very very very very very good,
very very very very very very good

(Girl: uh-uh, don't you even try to come over here
chillin'
and tell me you want a cheeseburger over me and my
sexy body.
You gotta be crazy.

Hamm: But.. I.. Look here baby and listen to me.
I need a cheeseburger to make me feel good at night.

Girl: Well then, you're gonna have to sleep alone,
I ain't even up for that.

Hamm: Aww, c'mon baby c'mon.)

Very very very very very very good,
very very very very very very good,
very very very very very very good,
very very very very very very good,
very very very very very very good,
very very very very very very good,
very very very very very very good,
very very very very very very good
