Taikutsu na kono mainichi ni keru tsukete
Odori tsuzukeru asa ga kuru made

(As we race for the corner tryin' to come and go
he's workin' hard, put you down, left you out in the
cold.

Now I ain't tryin' to ease the pain by dancin' all night
but now my turn I'm gonna make it all right.
Never again will you have to cry,
never ever another tear in your eye.
From now on baby it's me and you,
doin' all the things that lovers should do too.)

Kanashii koto o iiwake ni shite
Yoake o matsunara
Hontou no jibun nante wakaruru hazu no nai
