(busta talking)

Lets go, ok, lets see if you niggas is ready to work.  
Turn it up in my head phone, good lookin  
I feel like a new born baby yall  
Check. lets go!

you niggas sit around and argue who shit better.  
Im make niggas uncomfortable and ruffle their  
feathers.  
I gotta new album new buzz, couple a new millions  
a new look, new shit for the street with a new feeling.  
New label new staff, promotion my new shit.  
Im Flip mode universal bitch, get off my new dick.  
Flip mode ma'fucka (yeah!) feel like a new click,  
instead of bitin mines you better bite on a tube stick.  
It's like im sellin new drugs, choppin a new brick,  
and just in case in you aint knowin im on some all new  
shit.

Like people rushin the box office droppin a new flick  
got rid of some of my old hoes, got me a new bitch.  
Your threatened by new pressure, your stressin it is too  
hard,

fresh niggas is pressed now requestin a new god  
(that's right)

see now I show you no mercy, you know I come to  
slaughter (yeah!)

with no remorse im here to murder shit. I hope you  
ready forâ€¦!

Anthrax(x7)

hope you ready for

Anthrax(x7)

hope you ready for

(busta talkin)

like you aint already knowin,

I will consistently be at the forefront of this street shit,  
as I adjust how I tilt my crown.

tell your child the truth confide with your kids,  
you know who runs this rap shit, you know who the god  
of this is

I got me a new support system, now I be be more alive

like I got me a new ratchet bustin off in them 45  
now I can get with this new nigga fuck with my new  
shine  
like I got a new stash box fuck with my new grind  
(okay!)  
I got me a new plot got me a new scheme  
you can fuck with the general i got me a new  
team(yeah!)  
been here for a while feel new on the scene brotha  
got me a new set of jewels new magazine covers  
whole new set of rules with a whole lot of cream  
other than that with a new set of fools  
while on the scene bustin their gat,  
and get you new crack, creatin a new fiend,  
and give you niggas fire while creatin a new steam,  
stop the whole entire bank bitch  
watch me punch it in on her while im takin you niggas  
paper  
I hope you ready forâ€¦

Anthrax(x7)  
Hope you ready for  
Anthrax(x7)
