The only thing you need to do right here is
Is nod your fuckin' head, yeah, yeah
Break ya fuckin' neck, bitches, yeah, yeah
Here we go now

Where we goin' now? Where we goin' now?
Give it away, give it away, give it away now
Give it away, give it away, give it away now
Just give it away, nigga
Yeah, here we go now

Tell me wat'chu really wanna do
(Come here, ma)
Talk to a nigga, talk with me
You look like you could really give it to a nigga
From the way you talk and the way ya try to walk for me

The way you really try to put it on a dawg
Threw ya hips like ya never did before for me
The way you break yo' back and I break ya neck
And the way you try to put it on the floor for me

(Come on)
Come on
(Come on)
Oh, yeah
Tell me where my niggas is at
(Okay)
Lemme address y'all niggas one time while I lock that
down
And I hit'cha wit that
(You gone)
That bomb shit, y'all niggas gone all day

Be the nigga in the drop
Y'all niggas know every time I come through
This motherfucker, where we always takin' the ride
(So let me do this bitch)

Y'all niggas know when we come, we be makin' it flop
The way we makin' it hot'll make a nigga wanna stop

Get money, then cash that check for me
All my niggas just bust yo' tech for me
Everybody from every hood, bang yo' head
'Til you break your motherfuckin' head for me

Just let me give you real street shit
To ride in yo' shit with
Recline yo' seat, rewind this heat
Keep bouncin' up and down these streets

So nod yo' head and break ya neck, nigga
Break ya neck, nigga, break ya neck, nigga
Bang yo' head until you start to break ya neck, nigga
Break ya neck, nigga, break ya neck, nigga
Break ya neck

Come along now
(Let's put it down, nigga)
When I bounce back and you know I done caught my
breath
Y'all niggas, all know how we do
When the way we bang niggas in the head and we do it
to death

(Reach fo' dem backwoods)
The fire boy, you know we bakin' a ounce
I know you love the way we be givin' you the music,
makin' you bounce
Now fuck it up just a little for my niggas
Every time we come through, niggas know that we did
it for y'all
And the way we do it for the people
Niggas know we always give it to y'all

I said bounce
(Come on)
In the day time or the night, when ya creepin' along
Well just bang this shit up in the truck
While you break yo' neck, now motherfucker, try to
figure my flow
See the way we come right through
(When we come right through)

We be always blowin' the spot, again and again
And make a nigga really wanna stop
Better tell yo' crew, yo' peeps
All my niggas better put they troops on
And gather up your soldiers, nigga
You know you better keep yo' boots on

All my niggas in the place

(Aiyyo)

Wave your hands high now and the way we put it down
Make a nigga wonder what he really gonna try now
What'cha really wanna do?
Just place your bet and put'cha money where ya mouth
is
All my niggas in the street just break ya neck and keep
on bouncin'

Just let me give you real street shit
To ride in yo' shit with
Recline yo' seat, rewind this heat
Keep bouncin' up and down these streets

So nod yo' head and break ya neck, nigga
Break ya neck, nigga, break ya neck, nigga
Bang yo' head until you start to break ya neck, nigga
Break ya neck, nigga, break ya neck, nigga
Break ya neck

Here we go and you know every time Busta-Bus be
holdin' the fort
My nigga watch how we shuttin' it down
The way we put it on, comin' through like a steamroller
Me and Dre, nigga ain't no fuckin' around

My nigga, yeah, whattup?
(What?)
Me and my team got a link 'cuz you know we stay
choppin' it up
And when get up in the club
Or how my niggas at the bar how we lockin' it up

And we get a little high and we get a little drunk
And we get a little crunk, come on
Lemme give y'all niggas some shit
That'll make you wanna bang this out yo' trunk, come
on

Get money, then cash that check for me
All my niggas just bust yo' tech for me
Everybody from every hood, bang yo' head
'Til you break ya motherfuckin' neck for me

Just let me give you real street shit
To ride in yo' shit with
Recline yo' seat, rewind this heat
Keep bouncin' up and down these streets

So nod yo' head and break ya neck, nigga
Break ya neck, nigga, break ya neck, nigga

Bang yo' head until you start to break ya neck, nigga
Break ya neck, nigga, break ya neck, nigga
