So many blocks of diamonds shining on me like a big

Cook that coke up for the hood like the a nigga got a

Pop a bottle, pour liquor on the floor
Pop a molly then I fuck a couple hoes
Pop a Benji always wonder yea I'mma throw

Nothing more important than the Moula
All Hispanic bitches call me papichulo
Stay on deck, I always got that rugga

Face shot, make em look like Freddy Krueger

please let her not have herpes
Cuz I swear if a bitch ever burned me
Iâ€™mma shoot a ho down like worthy
These niggas walking round with they mouth pirced on
some 300 shit lookin like Xerxes
Real GÂ’s overhear hat trill shit
Your girl she aksed me, did I used a steel dick?
Nah ho, thatÂ’s that 3rd leg non-flow
I be on that pimp shit like Chicago
And a nigga flip cane like Pabo
And yall niggas look like 5-0
Aksing bout all my slimes yo
Bitched we booked a team but only for the green
And put knives on the niggas like Rondo
Like Rondo, glamor it
YMC Obama shit
Big beats to the really badass niggas that be on that
Tony Montana shit

(Hook)

Ainâ€™t nothing more important than the Moula
Ainâ€™t nothing more important than the Moula
Hallelujah, hallelujah
Based god, hallelujah

(Verse)

Ainâ€™t nothing more important than the dollar bill
Iâ€™m going hard and I go hard oh once I got a mill
This white girl just popped a pill and told me cop a feel
Okay this road to riches come with a lot of thrills
My flow is cold, bitch I just caught a chill
I mean my flow is hot like itâ€™s on the grill
Yep, you motherfuckers better know the drill
A lot of niggas rappin but none of them this real
Pimp shows, closed door, yea I get all the above
ThatÂ’s DJ spinnin on my shit when I walk in the club
1000 beehives, I got a bigger buzz
Yea Iâ€™m addicted to the moula, I canâ€™t get enough

(Hook)

Ainâ€™t nothing more important than the Moula
Ainâ€™t nothing more important than the Moula
Hallelujah, hallelujah
Based god, hallelujah

(Outro)
