[Chorus]

We so hot, we so hot baby
Everywhere we go we shutting down the spot baby
Got the bottles in the air like yeah
Everybody put your hands up, wave them like you
donâ€™t care
Hey, hey, wave them like you donâ€™t care, hey, hey
Weâ€™re doing it again, you know weâ€™re doing it
again

[Busta]

Back at it, open the door for me
While I go enter another tax brackets
Seats with chrome like Iâ€™m laying up in a craftmatic
And choke the street till they diagnose him with
asthmatic
Hmmm, so charismatic, I light the room up
Till I burn the blocks and ...cause some traffic
And yes we doing it again, cause he decide to ask it
Another heater to make the people wanna bang the
classic
And swag them to death, I tried to warn them
Until we got they back on the fams I got it for them
Consider making no sense, prepare nigga
Witnessing the greatest in the flesh, we right here
nigga

[Chorus]

We so hot, we so hot baby
Everywhere we go we shutting down the spot baby
Got the bottles in the air like yeah
Everybody put your hands up, wave them like you
donâ€™t care
Hey, hey, wave them like you donâ€™t care, hey, hey
Weâ€™re doing it again, you know weâ€™re doing it
again

[Villain]

Listen, these clown niggas running round with they
foolish axe
Iâ€™m talking that trap shit, knowing they ainâ€™t
moving packs

As far as I'm killing bitches I got Freddie
Kruger's stats
I should be the ...got the cheetos, I'm the coolest
cat
Little fuck niggas that's the shit I don't like
If it ain't miss good and daughter I just bet I
won't wife
I just beat up the puss and leave her on night
They say one is for the money so I never bone twice
I was good in the hood with a glock boy
My kitchen was the studio and them rock boys
Was making music and that booth was the pot boy
Now ... stop boy

[Chorus]

We so hot, we so hot baby
Everywhere we go we shutting down the spot baby
Got the bottles in the air like yeah
Everybody put your hands up, wave them like you
don't care
Hey, hey, wave them like you don't care, hey, hey
We're doing it again, you know we're doing it
again

[Busta]

Watch me do it, and display it in such a way
That can make that all look Versace stupid
Stepping up in the spot, you know you must salute it
And I suggest that you ...yourself and watch me
stooded
But undisputed, have been making a more dangerous
movement
See now we hanging our coats on that
See that the round tables glasses of rose and we
making a toast to that
Some of these niggas think they hot, that's in the
present nigga
The problem is that I'm hot and I'm a legen
nigga
The problem is that I got only a second nigga
See this a line, expose the couple of threatened niggas

[Chorus]

We so hot, we so hot baby
Everywhere we go we shutting down the spot baby
Got the bottles in the air like yeah
Everybody put your hands up, wave them like you
don't care
Hey, hey, wave them like you don't care, hey, hey
We're doing it again, you know we're doing it
again.
