When they tell you that you'll never get over  
Just tell 'em they're number one  
You're a champion

Don't believe 'em when they try to say it's over  
Just tell 'em they're number one  
You're a champion

Now, there's nothin' you can do to stop a nigga from  
within  
With the hunger of a lion, I secure another win  
So passionate, you might even misinterpret it as  
arrogance  
I'm goin' in

I'ma make the world feel my pain  
While I'm showin' you my muscle and I hustle through  
the game  
And even though they leave us in the hood like we ain't  
shit  
We ain't got nothin' but everythin' to gain

Look, even if a muh'fucker try to pop me  
I'm so blessed, do anythin' that you could do to stop  
me, stop me  
Now I'm climbin' up the ladder and I'm jumpin' at the  
top  
You might wanna call me Rocky

See there's more of us, ugly  
You don't really wanna war with us, trust me  
So glorious  
Though we from the bottom still we victorious

I see it in your eyes  
It ain't hard to tell, they're watchin' you  
Can't nobody ever stop what I'm doin'

They just tellin' you lies  
They want you to fail, they're plottin' on you  
And they can never stop my movement

So don't believe 'em when they try to say it's over  
You know exactly what to tell 'em  
Just tell 'em they're number one  
You're a champion

Hey, see the websites lyin', tryin' to block my shine  
Don't you know you never will stop my grind?  
In a drop-top flyin' like I don't got time  
Got e'rybody surprised that I won't drop dimes

What's on yo' mind? Best get me off it  
At least quit lyin' if you must keep talkin'  
Go on with the nonsense, best keep walkin'  
Boy, how you sue us, send the lawyers to the office?

A lot of y'all got sprung like that shawty  
Couple o' months off, I'll be right back shawty  
With a brand new swag and a brand new 40  
And a brand new ride, give a damn who saw it

Nationwide news, nigga, yeah, you saw it  
Shawty need a bodyguard for his bodyguard, don't he?  
Tip fallin' off sound kinda odd, don't it?  
Y'all hate to see me ball? Take it up with God, homie

I see it in your eyes  
It ain't hard to tell, they're watchin' you  
Can't nobody ever stop what I'm doin'

They just tellin' you lies  
They want you to fail, they're plottin' on you  
And they can never stop my movement

So don't believe 'em when they try to say it's over  
You know exactly what to tell 'em  
Just tell 'em they're number one  
You're a champion

Any situation where you might get fed up  
Gotta stay focused, homie, keep your head up  
It don't really matter what the next one is doin'  
Homie, gotta handle your women, I think you better  
step up

Live to the fullest for the dream you're pursuin'  
Ain't nothin' in the work gon' really stop what you're  
doin'  
Go hard no matter what they be sayin'  
Nigga, don't quit 'cause you know we gotta keep it  
movin'

Take a look and see yourself in me  
'Cause it's all about we  
Me and you securin' a win together  
So we could be the best that we could ever be

Stay up on your grind, be the first one to set it  
People try to shut me down, I won't let it  
I'm so stubborn for the success  
You know my motto, 'Don't stop, get it, get it'

I see it in your eyes  
It ain't hard to tell, they're watchin' you  
Can't nobody ever stop what I'm doin'

They just tellin' you lies  
They want you to fail, they're plottin' on you  
And they can never stop my movement

So don't believe 'em when they try to say it's over  
You know exactly what to tell 'em  
Just tell 'em they're number one  
You're a champion

Tell 'em they're number one  
Tell 'em they're number one  
Tell 'em they're number one
