We bite the nigga straight outta jail, give me the money

I'll smack you stupid, ain't nuttin funny nigga

I'll lay a nigga out and use they ass to shoot like a
marble black floor

Bloody something like a hacksaw

And then we stash a couple gats in the bag because we
at war

Pistol whip some of these niggas, leavin em wit
cracked jaws

Battlin like we in costalon, niggas see you supposed to
know

We extremely serious niggas

You see it's so marvelous how we just strap more, pack
more

No chichi niggas allowed, just throw em out the back
door

This lone menace got it wicked for the protenants

You niggas soft like limp dick and lead progenes

Blessin the younger thug wit shit to look forward to

The god is back, so niggas is quick and to fast forward
you

Yo, this shit be straight energy

You've been fuckin wit Flip Mode, nigga, while I'm
refreshin your memory

C'mon!

[Chorus]

[Verse 2]

You see it's hectic, respect it
Blow up your deck until my cassette is ejected

How I will beat you just like your father, don't even
bother

However nigga, whatever nigga, who wanna follow?
It gets coarse like the calice of a struggling black foot
under privilege

I'm quick to stick you for your whole bank book
Bitches follow my bounce and follow my flow
Follow me now, follow me later, follow my glow
Ayyo, follow instructions and follow the pro
And to follow my magic, bitches wanna follow my doe
Keepin ya bouncing, got all my people singin the hook
Got bitches buggin like how niggas be wild in the brook
Look, we street niggas, while you live by the book
Funny nigga, ain't no need to shoot yourself in the foot
Fuck wit bitches that's gettin doe and they know how to
cook

In every struggle, I always did whatever it took!
So all my niggas

[Chorus]

Everybody rise, everybody rise, everybody riiiiiiiise
Maryland, Michigan, Kansas, Kentucky, Alabama,
Indiana, Utah, c'mon!

Everybody rise, everybody rise, everybody riiiiiiiise
Phoenix, Memphis, Nashville, Mississippi, Rhode Island,

Everybody rise again, rise wit me mufuckas
As I welcome you all to the genesis
A whole new foundation, A whole new idea
