[Busta Rhymes]

I'm sayin who told y'all to let a muhfucker back on the
block

With the bullshit, see y'all done fucked up now!

Turn the volume up and bang it out the trunk now!

You gotta problem son? Imagine how the club sound

Look and see I'm ready to spark it

Soon as I zoom on my target, muhfucker better roll out
the carpet

See the way I'm comin through, and how I kick in the
door

Watch how I coffee grind like never before... the way I
wreck from the door

So I mack wit' em, passin em, when I'm speakin

I'm preachin, all my niggaz out in EVERY HOOD!

You tryin to compete? You better be INCREDIBLY GOOD!

Niggaz you want heat? I figured you would!

That's I waste no time to give it to you niggaz (this
time)

And give you all the jewels in (this rhyme), and then I
put it down to you all!

I can't get enough of it niggaz, I gotta ex-plore (many)

All of my options, I gotta get me plenty more...

more, go...

BITCH!
And while I'm gone I'm puttin dough in the stash,
BITCH!
So new and fresh I say it again
So what it do, don't test see I'ma blaze to the end
I'm comin through, so confess you niggaz know who
the kid
I'm like a newborn nigga, that's securing a win
(HOT!) So new and so current and they hate this
The streets'll classify in another level of greatness
I'm here to fix up the game, I'm givin it a facelift
New and improved, watch the way I make the game
shift!
Now watch me swing it out the ballpark
I come to shut it down, don't let the war start while I
come to get the...
