Grind real slow
Grind real slow
Grind real slow
Grind real slow
Shorty run up on me, you know what she startin'™
Ass all in front of me, bitch I beg your pardon
Put it on me good, do it for me darling
Creating a scene, we be fuckin'™ in the garden
That's™ right baby, yea get low
What's™ how you really feel? Wild strip show?
I remember when you always ride big though
Now get back up on it grind real slow
Grind real slow
Grind real slow
Grind real slow
Grind real slow
You like what you seein'™? Round of applause
Ass so big, chewin'™ on my joyous
You wanna climb up in it? Tryna make it joyous?
Ass so big, chewin'™ on my joyous
Ass so big, chewin'™ on my joyous
Ass so big, chewin'™ on my joyous
You wanna climb up in it? Tryna make it joyous?
Ass so big, chewin'™ on my joyous
Grind real slow
Grind real slow
Grind real slow
Grind real slow
Back to throwin'™ money, baby girl you want it
Formin'™ on your ass, pilin'™ all upon it
Keep it with your thing, Shorty I support it
Make them niggas spend it til they can't™ afford it
When you finished with 'em come back here to get it
When your ass got a nigga diggin'™ on my venom
Know I'm™ always with it, girl get low
Like throw it back up on that nigga, grind real slow
Grind real slow
Grind real slow
Grind real slow
Grind real slow
You like what you seein'™? Round of applause
Ass so big, chewin'™ on my joyous

You wanna climb up in it? Tryna make it joyous?
Ass so big, chewin' on my joyous
Ass so big, chewin' on my joyous
Ass so big, chewin' on my joyous
You wanna climb up in it? Tryna make it joyous?
Ass so big, chewin' on my joyous
Grind real slow
Grind real slow
Grind real slow
Grind real slow
I love the way you wear your hair
Love how your ass is everywhere
It's just them little things you do
That keeps me coming back to you
I like the way you wear your hair
Love how your ass is everywhere
It's just them little things you do
That makes me wanna get with you
And you know a nigga enjoy that when you.
Grind real slow
Grind real slow
Grind real slow
Grind real slow
You like what you seein' ? Round of applause
Ass so big, chewin' on my joyous
You wanna climb up in it? Tryna make it joyous?
Ass so big, chewin' on my joyous
Ass so big, chewin' on my joyous
Ass so big, chewin' on my joyous
You wanna climb up in it? Tryna make it joyous?
Ass so big, chewin' on my joyous
Grind real slow
Grind real slow
Grind real slow
