For my enemies, poppin bottles, follow soon and spray

Fuck the ref nigga, fuck the fair car

Hitting her with the dick, she cursed me for slapping  
her with my fall balls

Did you bring your friends lil mommy?

You know my style dog

In case you ain't know we right on

I got my choppa in my â€™Rrari in case I see my enemy  
Donâ€™t know whatâ€™s gotten into me,

Sam Rothstein be my gender, yea my special ho  
My 2 door is Benzotti, I call that bitch special A

And I could get same haters  
Usual suspect  
Swerve around and lovin it, swear that shit is suspect  
Iâ€™m so sick, so do yay and I got away  
Hit the club dead and fresh in case I die today  
Hail Mary, told er itâ€™s the world, ainâ€™t got shit to lose  
Hard to go long, celebrate like Iâ€™m Santa Claus

(Hook 2)

Hey girl you say you like it deep  
Hail Mary, hail Mary  
Hey girl you know the play  
Hail Mary, hail Mary  
Tonight we going long, yea...  
We be going long  
Hey huddle up, hail Mary  
I ainâ€™t tryna punt, hail Mary  
Tonight we going long  
We be going long, hail Mary

(Verse)

Whatever you want, I got it  
Got a drop top in my pocket  
You poppin, you watch it  
Keep on poppin and Iâ€™mma drop it  
So hard to be alone  
And you wanna go  
But right here at this moment you the one I want to roll  
So you got the ball, baby UCL hey  
Iâ€™mma be the coach, Iâ€™mma let you know the play  
Whatâ€™s next is baby you and me exit  
What now?  
Iâ€™mma get you naked, do a little bit of sexing  
Touchdown  
And you should let me score  
Iâ€™mma wanna score  
Lovely like chick below, baby Iâ€™mma play to win

Say the girl stuff and see some good thing  
Aye girl I heard you like it clean

(Verse)

Tunechi in this muthafucka, Hail Mary, full of grace  
I don't remember her name, but I remember how her  
pussy tastes  
I go long so long, she love the way that I put it down  
Gotcha goin' in circles, all you gotta do is look around  
I'm mister right and she miss tonight, pussy so nice  
gotta kiss it twice  
Pussy so tight my tongue get stuck, my tongue get  
stuck like lickin' ice  
Hoes call me QB, I throw that dick too deep  
I told her she's the preachers wife, she said practice  
what you preach  
She said ah me so horny, he love me long time  
I say how bout 69, she say numbers don't lie  
I say true you ain't never told no lie, you ain't never told  
no lie  
And you know they say love is blind, so close your eyes

(Hook 2)

Hail Mary, hail Mary  
Tonight we going long, yea...  
We be going long  
Hey huddle up, hail Mary  
I ain't tryna punt, hail Mary  
Tonight we going long  
We be going long, hail Mary
